Your web-site is now operational and is being updated regularly. We welcome any ideas you have to improve the site. Please come along to the Breakfast and let us know. We want the web-site to be your first 'port of call' when looking for any type of information on or about Mandurah.

Updated Email Addresses

We are trying to get as many member email addresses as possible on our data base so that we can send out email messages when something new has been uploaded onto the web-page. Many of you have given us your email addresses, but some we couldn't read properly, and some of you may have changed your isp, plus some of you didn't supply an address [only about 55% of members have supplied an email address]. Could we ask you all to send us a short email confirming your current email address. With a typewritten address we will be able to input it correctly.

Send the information to pmra@portmandurah.com - Many thanks in anticipation.
